reddot design award winner 2018

The Red Dot Design Award is an international product design and communication design prize awarded by the Design Zentrum Nordrhein Westfalen in Essen, Germany.

Since 1955, the Red Dot award has been regarded as the "Oscar Academy Award in Design" and is coveted by premium brands and designers all over the world. ShutterGrip™ is just awarded this high honor in 2018, chosen from a submission of 6300 design objects from 60 countries. ShutterGrip™ again showcased Just Mobile's dedication to design.

Easy Single-Handed Control

Pursuing the sculpted handgrip and shutter release button of traditional single-lens cameras, with just a simple press of your fingertip, you'll enjoy the comfort and security of holding your smartphone in one hand, taking stable photos and videos easily.

Easy Single-Button Control

Intuitive, mechanical shutter release button with tactile feedback, now you can take and feel your shots with the press of a fingertip.

Always Ready

Super compact and fit in a pocket or purse, it is ready for any occasion. Capture indoor selfies with friends, outdoor city sights, and life's moving moments that you won't miss.

Ergonomic Non-skid Handle

Catch up to kids' constant chases and excitement. Capture their precious life moments with the peace of mind that your smartphone won't drop to the ground.

Complimentary Wrist Strap

A convenient wrist strap, reinforced with copper core and braided nylon, provides added security and peace of mind.
